FOR IMMEDIATE RELEASE – Event Cancellation Notice

Boise, ID (January 9, 2008):

***The IDAHO INTERNATIONAL FILM FESTIVAL
regretfully announces that the special event
showing of NEVER APOLOGIZE on Saturday,
January 12 at the Egyptian Theatre has been
cancelled due to scheduling difficulties.***

Statement from Malcolm McDowell

"I've been looking forward to visiting Boise and the Treasure Valley for many years, since my good friend and director Mike Kaplan moved there. We hoped that showing NEVER APOLOGIZE this weekend would be a terrific experience for everyone, but unfortunately, the timing of the film I'm starting in Rome on Monday, together with any potential weather problem, has prevented my being able to make the trip.

Hopefully, NEVER APOLOGIZE will be seen in Boise before too long and we'll be able to witness an Idaho response."

For refunds please return tickets to the Egyptian Theatre Box Office.
